

## Thule RideAlong Lite

### 100109, 100110, 100111

Robust and reliable rear-mounted child bike seat designed for daily commutes and adventures around town.

1. Seat can be mounted/dismounted from bike in seconds with the universal quick release bracket. Compatible with most bike frames (27.2-40 mm diameter round frames and maximum 40 x 55 mm oval frames)
2. Integrated protection wings keep your child's hands safe and out of harm's way when the bike is leaned against a wall
3. Adjustable 3-point harness ensures your child's safety
4. Smooth, comfortable ride for your child with the DualBeam suspension system that absorbs road shock
5. Childproof safety buckle with large buttons quickly secures child
6. Added visibility thanks to built-in reflector and safety light attachment point
7. Adjustable foot straps and foot rests for flexibility as your child grows
8. Water-repellent padding
9. Lockable to your bike

**WARRANTY**

5 Years

**OPTIONAL ACCESSORIES**

- Thule Quick Release Bracket 100202  
Extra quick release bracket for use on 2nd bike
- Thule Low Saddle Adapter 100300  
Replacement carrier bar to be used on bikes with low saddles
- Thule "One-Key-System"  
Very practical if several lockable Thule products are used (e.g. box, roof rack, ski carrier etc.). All locking-barrels will be replaced so only one key will fit all products.  
(544 = 4 cylinders + 2 keys, 596 = 6 cylinders + 2 keys, 588 = 8 cylinders + 3 keys, 452 = 12 cylinders + 4 keys).

Estimated weight and dimensions.
