

Thule Sapling Child Carrier

210202, 210205

Thule's Sapling allows you to quickly and easily transition between parents with simple adjustments to the torso and hipbelt.

1. Fully adjustable back panel and hipbelt make the transition between parents quick and easy
2. Two zippered hipbelt pockets provide easy access to essentials
3. Breathable backpanel allows air to circulate around your back
4. Water reservoir pocket and large zippered compartment provides additional storage and added convenience when on the go
5. Deployable sunshade keeps your child cool and protected from the harsh elements
6. Dual access loading allows you to load your child from the top or side of the carrier
7. Load stabilizer straps allow on-the-go adjustments by pulling the child closer to the parent
8. Stirrups let your little one rest their legs and readjust themselves on the trail
9. Ergonomic seat efficiently distributes the child's weight by providing inner thigh support
