

THULE YEPP NEXXT MINI

## Thule Yepp Nexxt Mini

Light-weight and stylish front-mounted child bike seat with smart design for rides around town.

1. Light-weight yet sturdy seat combining a hard outer shell with soft padding for premium child comfort
2. Seat can be mounted/dismounted from bike in seconds with the universal quick-release bracket, fitting both normal and ahead stems
3. Maximum child comfort and a safe, custom fit thanks to the adjustable padded 5-point harness
4. Very quick, easy, and convenient securing of your child with the magnetic childproof safety buckle
5. Provides a smooth ride for your child in the soft and shock-absorbing seat
6. Makes getting your child in and out of the seat easy thanks to the innovative harness design, with stand-out shoulder pads
7. Your child can place their hands on the comfortable handle bar during the ride
8. Ensures a perfect fit as your child grows thanks to adjustable foot rests and foot straps
9. Easy to clean and to keep dry due to the seat's water-repellent materials
10. Designed and tested for children from 9 months\* to 3 years old, up to 33 lbs/15 kg

\* Consult a pediatrician for children under 1 year old
