

## Thule Yepp Nexxt Maxi

Light-weight and safe rear rack mounted child bike seat with a contemporary design, providing premium comfort for your child.

1. Light-weight yet sturdy seat combining a hard outer shell with soft padding for premium child comfort
2. Quick and easy mounting of the child bike seat on your bike's rear rack
3. Maximum child comfort and a safe, custom fit thanks to the adjustable padded 5-point harness
4. Very quick, easy, and convenient securing of your child with the magnetic childproof safety buckle
5. Provides a smooth ride for your child in the soft and shock-absorbing seat
6. Makes getting your child in and out of the seat easy thanks to the innovative harness design, with stand-out shoulder pads
7. Added visibility thanks to built-in reflector, which can be replaced by a rear light (sold separately)
8. Ensures a perfect fit as your child grows thanks to adjustable foot rests and foot straps
9. Easy to clean and to keep dry due to the seat's water-repellent materials
10. Designed and tested for children from 9 months\* to 6 years old, up to 48.5 lbs/22 kg

\* Consult a pediatrician for children under 1 year old
